

federal housing vouchers, Anne worked with my office and San Mateo County to identify willing owners and managers. She and her brother also manage hundreds of apartment units and homes. They encourage property owners to accept federal housing vouchers and many do, thus helping low-income households throughout San Mateo County.

At least part of her dedication to ending homelessness arises from personal experience. Anne once noted that, "One of the most impactful and tough experiences in my life was the night my husband Jose and I received a call that we will never forget. We learned that our son, who suffers addiction and mental health issues, was living on the street. We are blessed that he is fine now and doing much better. But my family's story is all too typical. I refuse to accept the status quo on homelessness. We cannot continue to let people live and die on our streets."

Over her 20+ years as a resident, Anne has been a volunteer for the PTA, the Mills High School Athletics Booster Club, and the Italian-American Women's Guild. She is a local coordinator for the Coats for Kids program, and in 2010 she was awarded the Community Service Award by the realtor's association. She also fundraises for the San Mateo County Historical Association.

We thank her husband Jose, daughter Francesca, and two sons Joey and Marco, for allowing Anne time to serve the public. Her presence will now be more predictable, and they have the satisfaction of knowing that Anne's occasional absences were needed to build a better Millbrae for everyone. Most importantly for Anne, she will now have time to spend with her two new grandchildren, Carolina and Isabella, born October 10, 2022. It may be a step down from public service to leave a city council, but it's a step up in service to humanity to become a grandmother. Anne is very fortunate to have received a promotion at this point in her life.

It is now time to say farewell to Anne Oliva as she leaves public life, but thankfully she isn't moving away. Her ever-present smile and can-do attitude will be evident in her community, and her willingness to volunteer will endure. When local businesses seek an advocate, they will always have Anne as an ally. Importantly, she will continue to work her magic in the real estate market, providing housing to those who need it, opportunities for those who seek the American Dream, and fair returns to owners. The wind and fog that occasionally sweep through Millbrae will continue to have their rival in Anne's energy, and the optimism about the future that she exudes will be remembered as a major force for good during the nine years that she served Millbrae, a community that she loves.

RECOGNIZING DAREK NEWBY ON HIS RETIREMENT

HON. ROSA L. DeLAURO

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 13, 2022

Ms. DELAURO. Madam Speaker, I rise as Chair of the Appropriations Committee, and on behalf of the Members of the Committee, and its staff, to pay tribute to Darek Lane Newby as he retires following 25 years of service to the House of Representatives.

Hailing from North Carolina, Darek began his career with Congressman David Price as a Legislative Assistant before serving as the Congressman's Appropriations and Budget Committee associate staffer, Legislative Director, and Acting and Deputy Chief of Staff. In these roles, he advised the Congressman on issues and legislation related to the federal budget, homeland security, health care, and the environment.

In 2009, Darek came home to the Appropriations Committee, initially joining the Commerce, Justice, Science, and Related Agencies Subcommittee, of which he took over as Clerk in 2011. Since 2013, he has been serving as the Homeland Security Subcommittee Clerk. He provides other Members and me with vital counsel and expertly leads staff in developing the Subcommittee's bill.

During his time with the Appropriations Committee, Darek has proven time and time again to be a fair negotiator whose superb leadership and compassion have made our nation and the world safer and more humane. His career was never shy of managing crises, but he led with dedication and poise through any conflict that came his way. Darek's profound technical knowledge, coupled with his diligence and poise, has been critical in reducing refugee and asylum application backlogs, bolstering maritime security, strengthening our cyber infrastructure, respecting the dignity of immigrants, and supporting disaster relief.

I am excited for what the future holds for Darek and wish him, his wife Patty, and their children Ben and Sam all the best. As Darek stalls a new beginning, the Appropriations

Committee and our Nation will miss him, are indebted to his service, and are forever grateful for his hard work. Congratulations on a remarkable career.

HONORING THE LATE BOBBY SILVERSTEIN

HON. STENY H. HOYER

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 13, 2022

Mr. HOYER. Madam Speaker, on November 17 of this year, we lost a dedicated public servant and crucial advocate for disability rights: Bobby Silverstein. He served in the House of Representatives as counsel to the Education and Labor Committee's Select Education Subcommittee and later in the Senate as staff director and chief counsel for the Disability Policy Subcommittee of the Committee on Labor and Human Resources. I worked with him most closely when I was the lead House sponsor of the Americans with Disabilities Act and he was working as Senator Tom Harkin's chief aide. In that role, he helped craft the ADA and fought tirelessly to secure its enactment. Like so many others, I admired Bobby's intellect, strong character, and commitment to public service. I believe that my friends Katy and Ralph Neas articulated that admiration we all feel for Bobby perfectly in their remarks at his funeral service, and in honor of Bobby, I include in the RECORD their speeches.

REMARKS FOR BOBBY SILVERSTEIN'S MEMORIAL SERVICE

(By Katy Neas)

In 1987, Bobby was my boss. When I left the Hill in 1991, he was my friend, and somewhere along the way over these 35 years, he and Lynne became family.

There are three things you need to know about Bobby.

No one was better prepared. Yes, he really did have a binder for everything.

No one wanted to get to "YES" more than Bobby.

No one was more genuine, thoughtful, loving, respectful, and patient, and he was fun.

I worked for Bobby on the original Americans with Disabilities Act. One of his many gifts was his devotion to bringing people together—the disability community, the business community, Republicans and Democrats. He had endless patience and wanted to learn from each individual's perspective so that the ADA could be the strongest LAW possible. One of the best parts of this time was a certain individual from the Leadership Conference, Ralph Neas, who was in our office almost daily to coordinate with Bobby. Ralph and I were married in November of 1988 and spent the next 20 months engulfed in the ADA.

During those months, I had many conversations with Lynne, asking her about "Bobby time"—meaning, what time did Bobby come into the office. Her typical response was "don't ask." What most people didn't know is that he would be in the office around 3:00 a.m. every day so that he could leave by 6:00 p.m. to have dinner with Lynne and the boys. That was his schedule for months.

Bobby at his "Bobby-est" when in conversation with Senator Orrin Hatch. There were amendments that sought to discriminate against people with HIV that Senator
